HUL-4- 401

22 May 1954

Chief of Station, []

LINCOLN

Operational
CALLIGERIS Code

REF: []-028

1. Please commend Stephen R. LUGTON on his procurement of the CALLIGERIS code which was forwarded to LINCOLN as an attachment to the Reference.
2. Please advise LUGTON that Page 6 of the "Descifrar" part of the code (letters M, N and probably part of L) is missing from the document he forwarded and ask him to procure it.
